Chief Secretary to the Government of

His Highness the Maharaja of Mysore.

Serial No. 5

Sir,

We, the undersigned Pensioners of the Government of His Highness the Maharaja, most respectfully beg leave to approach you with the following representation in the hope that you may kindly be pleased to submit the same for the gracious and favourable consideration of His Highness' Government, with your valuable support thereto.

It is scarcely necessary for us to state that we are all extremely thankful to His Highness' Government for the uniform sympathy which it has all along entertained for the well being of its retired Public Servants and that some provision having been graciously vouchsafed to us in our old and helpless stage of life we should have been under ordinary state of things very loathe to trouble our benign Government for any further help had circumstances of the times not taken such an abnormal shape.

That during the past five years, the terrible war (which has happily come to a close by the Grace of God) has brought on us and all mankind in general untold of miseries throughout the world is an undisputed fact and this coupled with successive bad seasons we have been experiencing has resulted in all food-stuffs and other necessaries of life being sold at from two to three times the average price of ordinary seasons is also too well known to require any elaborate explanation. That such a state of things must necessarily paralyse the well being of Pensioners who, as a rule, depend solely on their pensions for the maintenance of themselves and their dependents scarcely admits of any doubt. That in these extraordinary circumstances, it seems quite unnecessary for us to depict at

length the difficulties and the miseries we have been experiencing to maintain, our families and other dependents from the pension which our benign Government has been giving us and which for obvious reasons, we are quite unable to augment from any other source.

We are at the same time quite alive to the fact that Government Servants of all Departments of the State are also labouring under the same difficulties as we do. We are however glad to hear that their prayer for compensation for dearness of provisions is receiving sympathetic and favourable consideratin at the hands of our benign Government. For this solicitude on the part of Government for its Public Servants we cannot feel too highly thankful.

Knowing as we do that the benign Government of His Highness has never refused to extend its kind sympathy and help to all deserving cases, we have ventured to approach it most respectfully with our humble prayer that it may graciously be pleased to extend to us (the Pensioners) the same temporary concession which has been allowed to Government Servants of the State. This boon, we beg to add, will go a great way to relieve our present miseries and thereby enable us to pass our short tenure of life with somewhat less anxiety and better ease.

And for this kind act of ~~sympathy~~ charity we, as in duty bound, will ever pray for the long life and prosperity of our ILLUSTRIOUS MAHARAJA AND HIS FAMILY.

We beg to remain,
Sir,
Your most obedient servants,

President

Chitaldrug
dated. 11th Aug. 20.

Proceedings of the meeting of the pensioned officers of the Government of Mysore held at Chitaldrug on 1st August 1920 in the temple of Utsavangamma.

Present:- Mr. Nittur Subbanna, retired Taluk Sheristedar and 30 others.

Mr. D. Rama Rao, retired Head Master, proposed Mr. Subbanna, retired Taluk Sheristedar for the chair and the same was seconded by Mr. Subbanna, retired Jamadar and the proposition was unanimously accepted. Mr. Subbanna accordingly took the chair.

Mr. D. Rama Rao at the desire of the Chairman explained the object of the meeting and read the notice calling for the day's meeting.

Then the President brought home to the gentlemen assembled the fact that Government had sanctioned the grant of a consolidated allowance to Government servants under certain conditions in view of the abnormally high prices of foodstuffs &c and that a like concession was rightly called for in their cases as well as loyal servants of Government, who had retired from Government service and that by reason of their old age and other causes, they were disabled from supplementing their small pensions by any other avocations possible and that as a consequence, struggle for existence in their present condition was keener felt than most others and that it was therefore reasonable to approach the Government of His Highness the Maharaja of Mysore for their claims being considered on even ground with the existing servants of the State as they could not look forward for aid elsewhere except from Government fettered as they are to Government in the relationship of a son to a father. It was unanimously resolved that the Government be requested to grant them the same allowance as is now sanctioned to the existing servants of the State and a copy of this day's proceedings be sent to the Dewan of Mysore for his benign consideration.

The following 000 gentlemen were then appointed as office bearers of the Association:-

1. Mr. Nittur Subbanna, President.

2. Mr. D. Rama Rao, Secretary.

3. Mr. Subbanna,

The members present then thanked the President and the meeting dispersed with a vote of cheers to Their Royal Highnesses the Maharaja and Yuvaraja of Mysore and the Ruling family and the Dewan of Mysore.

COURT FEE — MYSORE — TWO RUPEES

DEWAN'S OFFICE
Date of Receipt 28/8/20
Petn. Regr. No 315

The Dewan Sahib,

Mysore State,

Bangalore.

Sir,

We the undersigned Government Superannuated Civil Pensioners residing in Chikmagalore, humbly beg to represent as follows:-

1. Our age, at present, ranges from 62 to 80 years. The Pension we severally draw ranges from Rs. 2 to 61 per mensum.

2. Pensions we get were determined, at a time, when rice was selling at 10 or 12 seers per Rupee, and all other necessaries of life were also correspondingly cheap

3. The Pensions that are now allowed to us are hardly sufficient to meet the costs of living, Education and of all other things which are ruling high in the course of the past few years. We are all well advanced in age and having grown grey in the service of the State, we are not at all able to earn anything to add to our Pension.

4. The Benign Government being alive to the difficulties of the times, have now allowed liberal allowances to the servants of Government which are denied to the poor Pensioners.

5. The Petitioners understand that in some countries old age Pensions are allowed from the state to persons who were not in service.

6. To the old age is added the fact that the Petitioners having given their best period of life to the service of the State, the claims of the Petitioners for an allowance to make their pension conform to the conditions of the time, become imperative.

To the Government of His Highness

SIR,—With reference to your letter of the 27th March ---------- I have the honour to annex hereto an extract from the Proceedings of the Legislative Council held on the 9th July 1919 relative to the Scheme for Temporary Increases to Pensions of Public Officers.

Your obedient Servant,

Government Recordkeeper.

Extract from the Proceedings of the Legislative Council held on the 9th July 1919.

SCHEME FOR TEMPORARY INCREASES TO PENSIONS OF PUBLIC OFFICERS.

It is desirable, owing to the different conditions obtaining in England and Ceylon, to divide this scheme into two parts (a) Pensions payable in England; and (b) pensions payable in Ceylon.

The following is the scheme suggested for (a) pensions payable in England :-

	An increase of
Under £ 100	33 per cent.
From £ 100 to under £ 200	30 --"--
From £ 200 to under £ 300	25 ---"--
From £ 300 to under £ 400	20 ---"--
From £ 400 to under £ 500	15 ---"--
From £ 500 to under £ 600	12½ --"--
From £ 600 to under £ 700	10 ---"--
From £ 700 to £ 800	5 ---"--
Over £ 800	Nil.

These increases to consist of a percentage of the amount of pension only, and not to be calculated on pension plus exchange compensation. The rupee of the pension to be taken as 1^{s}- 4^{d} for the purpose of calculating the percentage.

The cost of this portion of the scheme would be approximately £ 8,538 = Rs 128,070.

The following is the scale suggested for increases to (b) pensions payable in Ceylon :-

	An increase of
Under Rs 500.	33 per cent
From Rs 500 to under Rs 1,000	25 ---"---
From Rs 1000 to under Rs 2000	20 ---"---
From Rs 2000 to under Rs 3000	15 ---"---
From Rs 3000 to under Rs 4000	10 ---"---
From Rs 4000 to ~~under~~ Rs 6000	5 ---"---
Over Rs 6000	Nil

This portion of the scheme will cost the Government approximately Rs 221,745. The whole scheme for increases to pensioners would, therefore, cost the Government approximately Rs 349,815 per annum, or say, in round figures Rs 350,000.
